The Doctors Dilemma

By George Bernard Shaw

BOOK JUNGLE, United States, 2008. Paperback. Book Condition: New. 234 x 185 mm. Language: English . Brand New Book ***** Print on Demand *****. George Bernard Shaw was born in Dublin in 1856. Before becoming a playwright he wrote music and literary criticism. Shaw used his writing to attack social problems such as education, marriage, religion, government, health care, and class privilege. Shaw was particularly conscious of the exploitation of the working class. Since a botched operation on his foot, Shaw had little respect for the majority of doctors. The Doctors Dilemma is about a doctor who has discovered a cure for tuberculosis and is faced with the decision of whether to save a great artist or an unselfish friend who has not made a success of his life. The doctor's decision is further complicated by the fact that he is in love with the artist's wife. ***** Print on Demand *****.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

-- Andres Bashirian

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
