By Rj Wheaton

Continuum Publishing Corporation, United States, 2011. Paperback. Book Condition: New. 163 x 119 mm. Language: English . Brand New Book. How is it that so many people have, collectively, made a quintessential headphone album into a nightclub album? How have they made the product of a niche local scene into an international success? This is the story of how an innovative, experimental album became the iconic sound for the better part of a decade - and an aesthetic template for the experience of music in the digital age....
