Createspace, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.The Bustle Sew Magazine is not your average newstand read. Rather it's more of a mini-book - a collection of six new Bustle Sew stitching projects as well as sewing and non-sewing articles, useful information and a sprinkling of other goodies too. It's the work of just one woman - Helen Dickson, the founder of and creative force behind the Bustle Sew bunny! So if you're expecting a glossy high-street publication, stuffed with adverts and promotions, then this probably isn't the magazine for you. But if you enjoy quirky, unusual and fun sewing projects, all with Helen's unique style, then you're sure to love the Bustle Sew Magazine. This month's issue features the brand new 21st century Bustle Sew bunny on the cover, and there's lots to enjoy inside too. You'll discover six projects, including the first two new Christmas patterns for 2014. There's also a delightful Sleepy Fox Tea Cosy and the September House Pin Cushion - though it's not perhaps quite right to call this design a pin cushion as it's so much more. Remember - the Bustle Sew Magazine is an independent stitching and home magazine that carries no advertising at all - every page is full of content for you to enjoy. It's also available as an eMagazine over on the Bustle Sew website - where you'll find lots more stitchy goodness to enjoy. You can keep up to date with all the goings on in Devon where Helen lives with her two Newfoundland Dogs, Daisy and Ben - there's never a dull moment! Visit to learn more.
