Yogi Impressions Books Pvt. Ltd., Mumbai, India, 2015. Softcover. Book Condition: New. First Edition. In 1904, a relatively unknown Englishman named James Allen wrote a little book called As a Man Thinketh. The book has become one of the worlds greatest self-help books "self-empowerment" is a better term for it not only reveals to us that the keys to success are within our own minds, it shows us how to use these keys to unlock the greatest fulfillment we can imagine. In this revised edition, author Marc Allen updates this classic, changing language that has become dated or obsolete, and honing the clarity of the message. He makes As You Think gender inclusive, showing how these principles are truly universal and apply to everyone, regardless of sex, age, race, beliefs, social class, or education. Printed Pages: 80.
