Pan Macmillan. Paperback. Book Condition: new. BRAND NEW, Shades of the Sublime and Beautiful, John Kinsella, Australian John Kinsella is one of the most highly regarded poets currently writing in English. Taking Edmund Burke's 250-year old masterpiece *A Philosophical Enquiry into the Origin of Our Ideas of the Sublime and Beautiful* as his template, Kinsella has produced his most accomplished and broadly representative work to date. *Shades of the Sublime & Beautiful* is a warm, human, anecdotally rich book, concentrating many of the themes that have obsessed its author over the last twenty years: language, love, the invocation of place, the mysteries of the Australian wilderness, and our mediations between the human and natural realms. Together, these lyric meditations build towards a profound thesis on the ecology of the imagination, and are always conducted in concrete, vivid and exuberant language that is unmistakably Kinsella's own. 'Kinsella's poems are a very rare feat: they are narratives of feeling. Vivid sight -- of landscapes, of animals, of human forms in distant light -- becomes insight. There is, often, the shock of the new. But somehow awaited, even familiar. Which is the homecoming of a true poet' George Steiner 'John Kinsella is an Orphic fountain, a prodigy of the imagination .he frequently makes me think of John Ashbery: improbable fecundity, eclecticism, and a stand that fuses populism and elitism in poetic audience' Harold Bloom.
