Ken Follett's *World Without End* was a global phenomenon, a work of grand historical sweep, beloved by millions of readers and acclaimed by critics. *Fall of Giants* is his magnificent new historical epic. The first novel in *The Century Trilogy*, it follows the fates of five interrelated families-American, German, Russian, English, and Welsh-as they move through the world-shaking dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. In future volumes of *The Century Trilogy*, subsequent generations of the same families will travel through the...
