Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 277 x 213 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This SAT Study Guide is the culmination of an obsessive study of the SAT - The SAT Genome Project . This study involved the analysis of thousands of real SAT questions to identify every single concept, technique, and strategy you need to excel on the SAT. Specifix Prep used this information to create a two-part Comprehensive Skills Assessment (available separately) that determines your exact areas of weakness and creates a personalized syllabus for you based on your performance. When used with the Comprehensive Skills Assessment, you will receive a completely personalized study plan and access to online video lessons and exercises designed to enhance your understanding of the material. The result is a program that is better and more efficient than studying on your own. You also receive the customized instruction that you can typically only get with an expensive private tutor. This manual contains over 125 individual modular lessons that cover everything a student will need to know and do on the Math, Reading, and new Writing section of the SAT. You will receive targeted content designed to address your weaknesses and improve your score. We find your specific issues and fix them. Specifix. Recommended Materials The College Board Official Study Guide for the SAT (2nd Edition) Specifix Prep Comprehensive Skills Assessment.
