Rosen Central, United States, 2015. Paperback. Book Condition: New. 249 x 198 mm. Language: English . Brand New Book. The lower limbs run from the hips to the toes. They govern how we move from place to place, how we balance, and the types of activities we pursue. The anatomy and mechanics of these essential limbs are examined in vivid 3D relief in this concise volume. Labeled diagrams help readers easily identify the various muscles and bones of the hip, legs, and feet, while a clear narrative describes how the interconnected parts work together to facilitate our everyday movements.
