What is a Waldorf Kindergarten? (2nd Revised edition)

By Sharifa Oppenheimer, Joan Almon

SteinerBooks, Inc. Paperback. Book Condition: new. BRAND NEW, What is a Waldorf Kindergarten? (2nd Revised edition), Sharifa Oppenheimer, Joan Almon, Research shows that three essentials are necessary for young children's learning: a broad palette of sensory experience; vigorous and fine movement in response to sensory input; and the opportunity to imitate what the child sees modelled in the environment. These activities are the backbone of the academic foundation that parents should look for in an early childhood program. This helpful book takes an in-depth look at Waldorf kindergartens, and what approach they offer. It includes chapters on a typical day in a kindergarten, handwork, human development through art, circle time, fairy tales, seasons and festivals, and much more. This collection of insightful articles by experienced early-childhood educators brings both an overview and a deeper understanding of these essentials at work in the daily life of the Waldorf kindergarten.
