She has an addictive personality, works as a holistic therapist, and struggles to maintain any intimate relationships. Her spells are not always as accurate as they could be, often the result of her having a few too many goblets of red wine. When mysterious letters start appearing at her door, she begins to think about her childhood and, with the help of her long-suffering friend Maggie, tries to come to terms with her past and the family she left behind. But nothing in Bernice's life is ever simple.
