An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Random House UK Ltd Nov 2006, 2006. Taschenbuch. Book Condition: Neu. 177x110x35 mm. Neuware - Anne Rice's most ambitious work - a novel, based on the gospels, about the life of Jesus. He comes into the world, child of a virgin birth, celebrated by angels singing to shepherds, and is visited by magi from the east. He is God and Man and grows up to perform miracles - healing the sick, driving out demons, feeding a multitude with only a few loaves and fishes. He can walk on water. He is cruelly executed, but rises from the dead, coming back to his frightened followers to start a religion that will, within two and a half centuries, encompass the entire Western world. All this - accomplished by God - is the material of the novel. 480 pp. Englisch.
