## What Can a Crane Pick Up

By Rebecca Kai Dotlich

Knopf Books for Young Readers. Hardcover. Book Condition: New. Mike Lowery (illustrator). Board book. 28 pages. Dimensions: 7.5in. x 6.1in. x 0.7in. A rollicking board book about cranes—the kind that pick things up! What can a crane pick up... a truck? Yes, a truck! And a truck... And a truck... And a railroad car, if it gets stuck. We start with pipes and bricks and loads of steel and then move on to funny, whimsical objects: a cow, a Ferris wheel, men in business suits, and an ancient mummy's case. With a rhyme from poet Rebecca Kai Dotlich that begs to be read aloud again and again, and friendly, exuberant illustrations from artist Mike Lowery, this book is sure to delight kids and parents alike. But watch out: Cranes pick UP that's what they do! Look out, or a crane might pick up you! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Board book.

*The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*
