Have you ever been forced by circumstances to take a hard look at reality A reality that you knew exists, but denial was supported by hopes of change, anticipating that all will be well real soon. As you reflect back on your life, ignited by the challenges faced by a young boy, that mirror circumstances surrounding some of the realities you had so much trouble getting over. Who was that Baby takes us on a reality check of a journey, through a worldly portal leading to a spiritual awakening. Whos that baby defines what is real versus what is ideal as dealt with by the young and the old alike. Who was that baby not only talks about the birth of our savior into this world to secure salvation, but it guides us from the very point at the beginning from where that birth; for that purpose; had to take place. All being told from a childs perspective with the help from a traditional warm hearted, passionate storyteller, who was that baby sheds light on the magic of Christmas- pale comparison to the miracle of Christmas, and the provisions which allow both to exist, in the heart and mind of a young child, who is just beginning to understand the meaning of the season. Who was that baby provides for a revelation for the bitter at heart and for the wandering lost. You will see open doors, for those who seek the truth. Youll laugh, youll cry, youll become rejuvenated as you...
