When the last tree is cut, the last fish is caught, and the last river is polluted; when to breathe the air is sickening, you will realize too late, that wealth is not in bank accounts and that you can't eat money. - Alanis Obomsawin, Abenaki Indian/ Odanak Reserve When Charlie, the owner of Carlisle and Jones, saw his young employee after her latest assignment to Northern Uganda was completed, he knew that she needed a break from work. He also knew that Holly would not take the much-needed time off, even though she was drained physically and emotionally. After receiving a call from a family friend requesting help researching the disappearance of his father, Charlie knew it would be the perfect assignment for Holly. Holly Lewis, a young, successful photojournalist, could not believe that her boss was sending her to Maine, of all places. Having traveled the world over, this assignment felt like a punishment. At least it did until she arrived at The Turning Point. Instantly falling in love with the remote cabin tucked...

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
