Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Few. The Proud. The Marines. CHOOSING A CAREER IS NOT A decision to be made casually. You could spend the rest of your life pursuing the goals you choose today. You owe it to yourself to gather as much information as you can about the career choices that interest you. Reading this report will get you off to a good start. A career is more than a succession of jobs. A career should come with a paycheck, but it should also come with deep personal satisfaction and the knowledge that your efforts are leading somewhere worth going. Feeling that you are contributing to something larger than yourself is an excellent motivator. The fact that you have chosen to read a report on careers in the United States Marine Corps says very clearly that you want a career that will definitely lead you to places worth going, and that you don t mind overcoming a few challenges to get there. Whether you commit to a long-term career or just stay in the service long enough to learn valuable skills and have an adventure or two, the Marine Corps may be the place for you. The smallest of the four military services (the smaller Coast Guard is the lead agency in the Department of Homeland Security and only falls under the Department of Defense in time of war), the Marine Corps has the most enviable reputation. The reputation is so unassailable that the Marine Corps is the only service never to have trouble gaining new recruits, even in time of war. To be a US Marine is to be part of one of the world s truly elite fighting...
