Marijuana Legalization: What Everyone Needs to Know

By H Guyford Stever Professorship of Operations Research and Public Policy Jonathan P Caulkins, Co-Director Beau Kilmer, Professor of Public Policy Mark A R Kleiman

Oxford University Press Inc, United States, 2016. Paperback. Book Condition: New. 2nd Revised edition. 210 x 140 mm. Language: English . Brand New Book. Should we legalize marijuana? If we legalize, what in particular should be legal? Just possessing marijuana and growing your own? Selling and advertising? If selling becomes legal, who gets to sell? Corporations? Co-ops? The government? What regulations should apply? How high should taxes be? Different forms of legalization could bring very different results. This second edition of Marijuana Legalization: What Everyone Needs to Know discusses what is happening with marijuana policy, describing both the risks and the benefits of using marijuana, without taking sides in the legalization debate. The book details the potential gains and losses from legalization, explores the middle ground options between prohibition and commercialized production, and considers the likely impacts of legal marijuana on occasional users, daily users, patients, parents, and employersand even on drug traffickers.
