

## Ballistic: Volume 1

By Darick Robertson, Adam Egypt Mortimer

Epitaph. Paperback. Book Condition: new. BRAND NEW, Ballistic: Volume 1, Darick Robertson, Adam Egypt Mortimer, "A genuine spark of innovation is a precious thing, and Ballistic, by film maker Adam Egypt Mortimer and comics star Darick Robertson, transmits that spark with shocking force. It's a future classic, and it comes out in collected form next month." (Publishers Weekly). Darick Robertson (Transmetropolitan, The Boys) and Adam Egypt Mortimer's madcap, psychedelic, transreal, utterly-wacko buddy adventure about Butch and his best friend Gun, a drug-addicted, genetically-modified, foul-mouthed firearm, as they attempt to elevate Butch from air conditioner repairman to master criminal in the twisted, eco-apocalyptic Repo City State, a reclaimed trash island built from DNA-based, living technology with bad attitudes. Ballistic marks Darick Robertson's return to the hard sci-fi worldbuilding of his classic Transmetropolitan, but mixed with The Boys' ultra-violence and the lunacy of Happy. Mortimer's mix of speculative science, pulpy noir, and drug-addled adventure cooks up a strange brew of Lethal Weapon by way of Cronenberg meets Dr Who if written by Odd Future. Foreword by Grant Morrison.
