I Saw Heaven

By Chris Louer

Xulon Press, United States, 2014. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****. Have you ever wondered what lies beyond the stars when you look up at the sky? Most of us are very familiar with the solar system. In addition to planets, the Solar System is made up of moons, asteroids, comets, much smaller planets, dust and gas. Everything in the Solar System revolves around the sun. However, what lies beyond what we can see with our human technology? Did our Creator just stop creating in the darkness of outer space? What about this place called heaven? Is this a real place or just a fabrication for those who desperately need to know there is something wonderful to look forward to, after this life? On Valentine's Day, February 14, 2009, the Lord opened my eyes to see something so extraordinary. He gave me a glimpse of heaven. It wasn't until now that I felt it was time to put this in writing as an inspiration to all those who wonder, Is there an afterlife, and if so, what is it like? In the book I Saw Heaven,...

Reviews

The ideal ebook I possibly study. Better than never, though I am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
