

Adventures of a Mid-America Street Urchin

By James Emory Thompson

James Emory Thompson, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This tale of a street urchin is much more than the adventures and misadventures of a boy growing up unsupervised in small-city America in the late 1940s and 1950s. It is a picture of community life in that western Pennsylvania industrial town -- its struggles and its successes during the economic upheaval that followed World War II. It adds the perspective of the same boy as a seasoned journalist, who has followed the region for 35 years as a reporter, editor and commentary writer on two daily newspapers. The author's hometown is an American melting pot, a place where hard work was necessary just to get by for most; and in which education provided the only real opportunity to reach the American Dream. It is an America prior to Great Society social programs and the broad safety net that came decades later. It was the beginning of the middle class for some, but poverty and low wages for others; of a well-structured society, but with discrimination much a part of it. In this true story,...

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at any moment of your time (that's what catalogues are for concerning when you ask me).
