Not illustrated. 1917 edition. Excerpt: .is average; veal is 1,790, leg of lamb is 1,300, and mutton is 1,085. It is possible with the aid of this illustration to make up a substantial ration which will be not only economical, but which is scientifically designed. The sample menus illustrated for breakfast, lunch and dinner give a fairly good key to the arrangement. The Rule of Reason Little drops of water, Tiny grains of sand; Make the mighty ocean--And the wondrous land. Little careless actions, Small seeds of neglect; Make human suffering--And hearts with grief beset. Thus it is that little things make the joys and sorrows of life. Rules cannot govern every little action, every little deed. But common sense, let us call it the rule of reason, will, if culti-vated, bridge many a treacherous stream. These lines, artistically illustrated, form the introduction to the dramatic new film produced...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
 -- Natalie Abbott

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
 -- Rene Olson
