The Bible in the British Museum: Interpreting the Evidence (2nd Revised edition)

By T.C. Mitchell

British Museum Press. Paperback. Book Condition: new. BRAND NEW, The Bible in the British Museum: Interpreting the Evidence (2nd Revised edition), T.C. Mitchell, The links between archaeology and the Bible have fascinated generations of archaeologists and biblical scholars who seek documentation of events narrated in the Bible. The British Museum's collections include numerous inscribed objects, scripts and pictorial reliefs which provide such evidence. There is, for example, a Babylonian clay tablet which records Nebuchadnezzar's siege of Jerusalem in 597 BC, as narrated in the book of Jeremiah. For this book the author has selected over seventy such 'documents', mainly from Western Asia, with some examples included from Greece, Egypt and Asia Minor, dating from the period of the Patriarchs to the New Testament times, c. 2000 BC to c. AD 100. He transliterates and translates the ancient texts, which include Cuneiform, Aramaic and Hebrew, and discusses the contribution they make to our knowledge of the culture and history of biblical times. Each object is illustrated in black and white.

Reviews

The ideal ebook i possibly study. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
