Bellissima Publishing. Paperback. Book Condition: New. Paperback. 36 pages. Dimensions: 8.5in. x 8.3in. x 0.2in. The Island of Hawaii is still growing, and although it is known as the youngest of all the Hawaiian Islands, there is a lot to see and do! The Island of Hawaii is the home of one of the world's most active volcanoes (Kilauea), the tallest sea mountain in the world at more than 33, 000 feet (Maunakea), the most massive mountain in the world (MaunaLoa) and the largest park in the state (Hawaii Volcanoes National Park). This book looks at one small part of this island, Kona, Hawaii. Written by the award winning author, attorney and former teacher, Penelope Dyan. This is a book for kids intended to help them to not only see a part of the world, but to also help them practice some basic reading skills, through word repetition, word recognition, and simple rhyme. Two of Penelope Dyan's books are in the Saison Poetry Library at Southbank Centre, London, UK, chosen by the UK Art Council, proving a book by this author is always special. Learning should be fun, and if kids have fun learning, then they will love to learn. Dyan believes travel is about the senses, about seeing with the eyes and feeling with the heart; and there is no better place to experience this than in Kona, Hawaii! Look for the music video that complements this book on the Bellissimavideo YouTube Channel to further enhance the learning process. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
